How can God use me to grow his kingdom? What are my spiritual gifts?

I love these questions! Discovering and utilizing your spiritual gifts is one of the most exciting adventures a person can have with God. The Bible says spiritual gifts are abilities God bestows on every believer for the common good of the body of Christ. They're a large part of the answer  $\Diamond$ to the guestion, "What should I do with the life God gave me?"

Passages like 1 Corinthians 12, Romans 12, and 1 Peter 4 go into specific detail about what these gifts are and how they should be used. It's clear every spiritual gift is a reflection of God's nature that you carry within you. And because your spiritual gift reflects God's design and direction for your life, you'll find great passion, joy, and satisfaction in expressing it. Your spiritual gift also will be a place of deep spiritual formation in your life as you live out what it means to be his disciple as a part of our St. Paul's family.

We are excited that Connect 102: Discover Your SHAPE for Ministry is one of three components in the pathway to membership at St. Paul's. Working through the Connect 102 materials offers an opportunity to explore your Spiritual gifts, Heart, Abilities, Personal Style and Experiences so that you can better understand your unique divine design and who God intends you to be. The class is offered in two formats.

Independently at your own pace with a scheduled consultation appointment to unpack your SHAPE profile and help with getting you connected to your ministry.

Two consecutive classes on campus at St. Paul's. Our next on campus classes will be held December 4 & 11 during our Sunday school education time (10:15 – 11 am) in the Connect room # 7 in Skardon Hall.

Have you ever wondered how you are uniquely designed, equipped and prepared to fulfill God's plan to do the work He has given you to do? Then please plan to take advantage of Connect 102! To sign up and/or receive your Connect 102 packet please contact cathym@stpaulssummerville.org.

## GENERAL INFORMATION FOR THIS MORNING

Welcome to St. Paul's! We hope to create an atmosphere in which everyone feels welcomed with open arms. Here is the information that you need to know for a successful morning of worship and Sunday School:

- Worship as a Family (all ages): At St. Paul's, we encourage families to worship together on Sunday mornings, therefore children in first grade and older will remain with their parents throughout the service. If you or your children are not used to this, please know that we understand and recognizing that it might take a few times to develop the routine. We're here to help, so don't hesitate to ask a priest or our Children's Minister about successful family worship. If you need to take your children out of the service for a moment (we know, temper tantrums happen!), please feel free to:
- In Doar Hall, go to the Atrium (to your left) or St. Paul's central (to your right)
- In the Church Building, go to the Family room behind the choir area (front left). In each of these locations you will be able to hear the service through speakers.
- Kid's Church (3 years old through Kindergarten): Children who wish to go to Kid's Church will leave the service after the Gospel is read and return for Holy Communion. While away, they will participate in a liturgy that mirrors that of the church service, including a Bible teaching at their level, song, prayers, and confession.
- Nursery: Infant (6 17 months) and Toddler (18 months 3 years) are located on the first floor of the Children/Youth Building. Our experienced staff is CPR and First Aid certified and pagers are provided to notify parents if necessary.

Communion—anyone baptized in the Christian faith is welcome to receive communion this morning. Please note: the Communion elements consist of real wine and bread or wafers containing wheat. Please ask the bread server for gluten free wafers. Receiving one or the other is considered participating as fully as anyone who receives both.

All guests are invited to visit our Welcome Table after the service today. You will receive a gift and information about St. Paul's.

Giving—Cash and checks may be placed in the offering plates. We have electronic giving centers in Doar Hall for debit and credit cards. St. Paul's does not want anyone to incur debt in order to give to the Lord. We offer the electronic giving centers as a convenience.
