Medical Outreach
 Clinic of SUMMERVILLE, INC.

Matthew 25:40 is truly lived out here at St. Paul's every Thursday evening in Ambler Hall, as we minister to our brothers and sisters in need; "I tell you the truth, whatever you did for the least of these brothers of mine, you did for me".

Since 1987, the Medical Outreach Clinic of Summerville, Inc. has provided primary medical care to individuals who live in poverty, with no health insurance or financial means to pay out of pocket for medical care. These services would not be possible without the generous donations of time and talent of so many individuals. Each Thursday evening, after working a full day in their own private practices or in the hospital setting, an average of three physicians and nurse practitioners graciously minister to the clinic's patients. This speaks volumes about the kindness and caring of the clinic's practitioners. These wonderful individuals provide over \$275,000 of free medical care annually to patients who would otherwise suffer needlessly from a range of maladies. In addition to the 15 doctors and nurse practitioners who volunteer on a regular base, MUSC Family Medicine Residents also serve a five week rotation at the clinic as part of their Community Medicine Training. As much of the clinic's patient population suffers from emotional and psychological stressors, the clinic is also extremely grateful to have clinical psychologist Dr. Scott Berry, as part of our team.

A number of additional volunteers give their time and talent in the areas of clerical work, greeting patients, language translation, patient education, serving dinner to the patients and triaging patients. Without these dedicated indi-

viduals, it would not be possible to fulfill the clinic's mission and ministry. Currently, there is a need for more volunteers, especially in the area of triage. These individuals typically have a background in the nursing field, are responsible for taking vital signs and conducting a brief interview with patients.

In closing, the clinic would not exist without the financial support of St. Paul's Church, corporate donations, fundraisers and individual donations. The clinic is blessed to have ancillary services provided by Charleston Radiologists, P.A., Summerville Medical Center, Cares Clinic and Access Health Tri-County Network. For more information on how you can help, please contact the clinic at medicaloutreachclinic.org.

General Information for this morning

Welcome Families! At St. Paul's we hope to create an atmosphere in which all families feel welcomed with open arms. Here is the information that you need to know for a successful morning of worship and Sunday School:

- **Worship as a Family (all ages):** At St. Paul's, we encourage families to worship together on Sunday mornings, therefore children in first grade and older will remain with their parents throughout the service. If you or your children are not used to this, please know that we understand and recognizing that it might take a few times to develop the routine. We're here to help, so don't hesitate to ask a priest or our Children's Minister about successful family worship. *If you need to take your children out of the service for a moment (we know, temper tantrums happen!), please feel free to:*
 - ☞ In Doar Hall, go to the Atrium (to your left) or St. Paul's central (to your right)
 - ☞ In the Church Building, go to the Family room behind the choir area (front left).

- **Kid's Church (3 years old through Kindergarten):** We recognize that some children are too old for the nursery but too young to sit through the whole service! Children who wish to go to Kid's Church will leave the service after the Gospel is read and return for Holy Communion. While away, they will participate in a liturgy that mirrors that of the church service, including a Bible teaching at their level, song, prayers, and confession.

- **Nursery: Infant (6 – 17 months) and Toddler (18 months – 3 years)** are located on the first floor of the Children/Youth Building. Our experienced staff is CPR and First Aid certified and pagers are provided to notify parents if necessary.

Communion—anyone baptized in the Christian faith is welcome to receive communion this morning. **Please note:** the Communion elements consist of real wine and bread or wafers containing wheat. Please ask the bread server for gluten free wafers. Receiving one or the other is considered participating as fully as anyone who receives both.

All guests are invited to visit our **Welcome Table** after the service today. You will receive a gift and information about St. Paul's.

Giving—Cash and checks may be placed in the offering plates. We also have electronic giving centers in Doar Hall and Skardon Hall for debit and credit cards. St. Paul's does not want anyone to incur debt in order to give to the Lord. We offer the electronic giving centers as a convenience.

Giving Envelopes—are available for your convenience. You may pick up a pack in the church office.
