# Leading in Leisure

The summer is in full swing! And with summer comes family vacations, week-end get-aways, and days at the beach. Finding leisure in life can be a time whereby your spirit is renewed, your countenance lifted, your mind is put at ease as you get away from the normal grind of everyday life. But, sometimes going on vacation and getting away can be just as stressful as the mundane.

Have you ever wondered what a family looks like on vacation? You and I both know that it doesn't always look like the Disney brochure. The more important questions is, what does your family look like on vacation?

What a family looks like in leisure will primarily be determined by the intentionality of a wise and godly mother and father. The difference between forgettable and unforgettable vacations is not the location or the attractions. The difference between forgettable and unforgettable vacations is your attitude and leadership. Vacations are unique opportunities to see and savor Christ through the gracious gifts and generosity that He gives us.

Two wise and helpful things to intentionally do while on vacation:

## Be Together

There is a heart of a father and mother that says we must carve out time to be together. There will be no dividing and conquering. Family vacations are just that, family vacations. What a family does together is far more important than where a family goes together. If you want to create memories that will last a life time then start with intentional time spent together. Often times each member of the family has their own expectations and own preferences of what to do or where to go. Remember it's a family vacation intended to intentionally be together to deepen relationships and love one another.

## Be Grateful to God

Know that leisure is a gift from God. God intends for you and has ordained that you rest (Exodus 20:8). Therefore, leisure and vacations are an opportunity to express gratefulness to God. Help your family see God's generous hands as you rest your souls, deepen relationships, and experience the tastes, sights, and sounds of vacation.

## General Information for this morning

**Welcome Families!** At St. Paul's we hope to create an atmosphere in which all families feel welcomed with open arms. Here is the information that you need to know for a successful morning of worship and Sunday School:

- **Worship as a Family (all ages):** At St. Paul's, we encourage families to worship together on Sunday mornings, therefore children in first grade and older will remain with their parents throughout the service. If you or your children are not used to this, please know that we understand and recognizing that it might take a few times to develop the routine. We're here to help, so don't hesitate to ask a priest or our Children's Minister about successful family worship. *If you need to take your children out of the service for a moment (we know, temper tantrums happen!), please feel free to:*
  - ☞ In Doar Hall, go to the Atrium (to your left) or St. Paul's central (to your right)
  - ☞ In the Church Building, go to the Family room behind the choir area (front left).

- **Kid's Church (3 years old through Kindergarten):** We recognize that some children are too old for the nursery but too young to sit through the whole service! Children who wish to go to Kid's Church will leave the service after the Gospel is read and return for Holy Communion. While away, they will participate in a liturgy that mirrors that of the church service, including a Bible teaching at their level, song, prayers, and confession.

- **Nursery: Infant (6 – 17 months) and Toddler (18 months – 3 years)** are located on the first floor of the Children/Youth Building. Our experienced staff is CPR and First Aid certified and pagers are provided to notify parents if necessary.

**Communion**—anyone baptized in the Christian faith is welcome to receive communion this morning. **Please note:** the Communion elements consist of real wine and bread or wafers containing wheat. Please ask the bread server for gluten free wafers. Receiving one or the other is considered participating as fully as anyone who receives both.

All guests are invited to visit our **Welcome Table** after the service today. You will receive a gift and information about St. Paul's.

**Giving**—Cash and checks may be placed in the offering plates. We also have electronic giving centers in Doar Hall and Skardon Hall for debit and credit cards. St. Paul's does not want anyone to incur debt in order to give to the Lord. We offer the electronic giving centers as a convenience.

**Giving Envelopes**—are available for your convenience. You may pick up a pack in the church office.
