*A Taste of St. Paul's Ministry Fair*

by Cathy McGrew  
 Community Connections Coordinator

One reason you need to be connected to a church family is to fulfill your calling to serve other believers in practical ways. The Bible says, "All of you together are Christ's body, and each one of you is a separate and necessary part of it." (1 Corinthians 12:27 NLT) Your service is essential to the Body of Christ—just ask any local church. Each of us has an important role to play. There is no small service to God; it all matters. Likewise, there are no insignificant ministries in the church. Some are visible and some are behind the scenes, but all are valuable. Small or hidden ministries often make the biggest difference. In my home, the most important light is not the large chandelier in our dining room but the little night light that keeps me from stubbing my toe when I get up at night. Every ministry matters because we are all dependent on each other to function.

What happens when one part of your body fails to function? You get sick. The rest of your body suffers. Imagine if your liver decided to start living for itself: "I'm tired! I don't want to serve the body anymore! I want a year off just to be fed. I've got to do what's best for me! Let some other part take over." What would happen? Your body would die. Today thousands of local churches are dying because of Christians who are unwilling to serve. They sit on the sidelines as spectators, and the Body suffers. God calls you to a service far beyond anything you

could ever imagine. He created YOU for a life of good deeds, which he has already prepared for you to do. (see Ephesians 2:10) Whenever you serve others in any way, you are actually serving God.

**We are excited to invite you to participate in our fall ministry fair at St. Paul's to be held on Sunday September 11 @ 10:15 am in Skardon Hall.**

The purpose of the fair to give all of our ministries a venue to share about themselves and offer opportunities for YOU to get involved. We will have 6' tables set up in Skardon Hall for each ministry. Ministry representatives will be available at the tables to answer questions. To add some festivity to the morning each ministry will have some sort of finger food item to share with those that stop by. That's where the "Taste of St. Paul's" comes in! It promises to be a fun morning and I am excited to see all of the amazing ministries at St. Paul's on display!

Are you a ministry leader?

**Here's what you need to do:**

◇ Email Cathy McGrew with the name of your ministry, size of table you need ( 1/2 of a 6' table or whole 6' table) and ministry contact person.

- ◇ Determine ways in which volunteers can get involved in your ministry.
- ◇ Plan what you will have on your table for folks to "taste"

I look forward to seeing you ALL there!

## General Information for this morning

**Welcome** to St. Paul's! We hope to create an atmosphere in which everyone feels welcomed with open arms. Here is the information that you need to know for a successful morning of worship and Sunday School:

- **Worship as a Family (all ages):** At St. Paul's, we encourage families to worship together on Sunday mornings, therefore children in first grade and older will remain with their parents throughout the service. If you or your children are not used to this, please know that we understand and recognizing that it might take a few times to develop the routine. We're here to help, so don't hesitate to ask a priest or our Children's Minister about successful family worship. *If you need to take your children out of the service for a moment (we know, temper tantrums happen!), please feel free to:*
  - ☞ In Doar Hall, go to the Atrium (to your left) or St. Paul's central (to your right)
  - ☞ In the Church Building, go to the Family room behind the choir area (front left).

- **Kid's Church (3 years old through Kindergarten):** Children who wish to go to Kid's Church will leave the service after the Gospel is read and return for Holy Communion. While away, they will participate in a liturgy that mirrors that of the church service, including a Bible teaching at their level, song, prayers, and confession.

- **Nursery: Infant (6 – 17 months) and Toddler (18 months – 3 years)** are located on the first floor of the Children/Youth Building. Our experienced staff is CPR and First Aid certified and pagers are provided to notify parents if necessary.

**Communion**—anyone baptized in the Christian faith is welcome to receive communion this morning. **Please note:** the Communion elements consist of real wine and bread or wafers containing wheat. Please ask the bread server for gluten free wafers. Receiving one or the other is considered participating as fully as anyone who receives both.

All guests are invited to visit our **Welcome Table** after the service today. You will receive a gift and information about St. Paul's.

**Giving**—Cash and checks may be placed in the offering plates. We have electronic giving centers in Doar Hall for debit and credit cards. St. Paul's does not want anyone to incur debt in order to give to the Lord. We offer the electronic giving centers as a convenience.

**Giving Envelopes**—are available for your convenience. You may pick up a pack in the church office.
