### The Love of Grandparents

Sherry Schumann and Cathy Jacobs

A teenager—desperate for a place to belong—walks awkwardly along the fringe, trying to keep in step with a group of wayward peers. Weeks pass, and his awkwardness disappears. Soon he is found standing in the way of sinners, counted as part of the crowd. He'll eventually sit in the company of mockers, revered by another teen desperate to belong.

A principal of a private Christian school, grades K4-12, recently agonized about the generation slipping through our fingers and the snowball effect which will follow. She says, "Families desperately need grandparents to step in and get involved."

We, as grandparents, need to stop watching from the sidelines. We need to be intentional building relationships with our grandchildren, affirming them of their value, creating an environment where they know they're loved and praying for them on a daily, if not more, basis. It's time for grandparent warriors to raise a shout and carry the light of Christ to our grandchildren. It's time we utilize the greatest weapon in our arsenal; it's time we exercise the Power of Prayer!

St. Paul's actively supports grandparents! Tomorrow, October 9 we will have our first fall Grandparents at Prayer meeting in the Church Building. All grandparents are welcome to come and prayer at the altar for their grandchildren.

The Psalmist writes, "Blessed is the one who does not walk in step with the wicked or stand in the way that sinners take or sit in the company of mockers, but whose delight is in the law of the Lord, and who meditates on His law day and night. That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither—whatever they do prosper" (Psalm 1:1-3).

Pray that our grandchildren are like trees, planted by the Stream of Living Water. For more information or questions about our grand parenting ministry contact Cheryl Cargill or Cathy Jacobs.

To reserve a cover or if you have a submission for the Sunday News please contact Shelley Fipps the Tuesday before you want the addition.

## GENERAL INFORMATION FOR THIS MORNING

**Welcome** to St. Paul's! We hope to create an atmosphere in which everyone feels welcomed with open arms. Here is the information that you need to know for a successful morning of worship and Sunday School:

• **Worship as a Family (all ages):** At St. Paul's, we encourage families to worship together on Sunday mornings, therefore children in first grade and older will remain with their parents throughout the service. If you or your children are not used to this, please know that we understand and recognize that it might take time to develop the routine. We're here to help, so don't hesitate to ask a priest or Tina Smith about successful family worship.

• **Kids Church** (K3 –2nd grade) starts the same time as "big church" so bring your child to the Worship Center prior to the service start time. There you will find computers to sign in your children. There will be one computer for families attending services in Doar Hall and another for families attending services in the Church building. Please use the appropriate computers. They will print color coordinating name labels so that our little ones are taken to the correct service.

• Once they enter the Worship Center they will find lots of friendly faces welcoming them along with activity centers that will start their lesson time. They will continue with these until the sermons have ended:

- ✚ If you are attending the Church building service, please pick your child up at the end of the sermon.
- ✚ If you are attending the Doar Hall service, please look for your child entering the sanctuary and wave to them so they can find you.

**Communion**—Anyone baptized in the Christian faith is welcome to receive communion at St. Paul's. **Please note:** The Communion elements consist of real wine and bread or wafers containing wheat. Please ask the bread server for gluten free wafers. Receiving one or the other of the elements is considered participating as fully in the Eucharist as anyone who receives both.

All guests are invited to visit our **Welcome Table** after the service today to receive a gift and information about St. Paul's.

**Giving**—Cash and checks may be placed in the offering plates. We have electronic giving centers in Doar Hall for debit and credit cards. St. Paul's does not want anyone to incur debt in order to give to the Lord. We offer the electronic giving centers as a convenience.

**Giving Envelopes**—are available for your convenience. You may pick up a pack in the church office, in the back of Doar Hall, or the Church Building.
