### A Week in the Life of the Worship Arts Team Leader

#### Bonnie James

I start out my week worshipping the Lord on Sunday. I have the pleasure of leading worship during the 10:15 am service in Doar Hall. I enjoy singing and praising the Lord and having the rare opportunity to watch everyone else worship and bask in the presence of the Lord. With that, if you are not singing along I know.

Monday is the day I use to prepare for Sunday and all the music for the week. This music includes youth meetings, ALPHA, any special services, etc. I spend my time looking up and listening to music at home. I also prepare the set for the upcoming Sunday thinking and praying on the scriptures and sermon for that week. I enjoy this time because not only do I get to listen to music but I get to start off the week preparing my heart for the upcoming Sunday. I also do reports for all the music and prepare chord sheets for the entire band.

Tuesday, Wednesday, and Thursday flow together. We start off with the staff meeting and after that I start working on anything else that needs to be done for the week or anything mentioned in staff meeting that needs to get done. This includes anything and everything from programming the screens in ProPresenter for the upcoming Sunday, to helping with youth group and special events. Wednesday evenings are set aside helping Korey with the youth during the school year and Thursday evenings are set aside for band rehearsal. All of this keeps me very busy but I enjoy every minute of it. Along with the daily grind I also put in hours for special arts programs. This includes but is not limited to Kids Kamp, Christmas services, and the season of Lent.

Besides being the music director I am also the on call tech specialist of sorts. I am in no official capacity the tech expert but when something breaks or needs to be bought I am the one they call, not ghost busters or geek squad. All the televisions, DVD players, and anything techy I take care of and update. This extra work keeps me on my toes but I love it.

Not every job allows people to do what they love and do it with people they love but mine does. I am so glad I have the pleasure of working here at St. Paul's and worshipping every Sunday with this awesome body of believers. Make sure to sing your heart out this Sunday morning. Each song was picked with a purpose and a prayer.

## GENERAL INFORMATION FOR THIS MORNING

**Welcome** to St. Paul's! We hope to create an atmosphere in which everyone feels welcomed with open arms. Here is the information that you need to know for a successful morning of worship and Sunday School:

- **Worship as a Family (all ages):** At St. Paul's, we encourage families to worship together on Sunday mornings, therefore children in first grade and older will remain with their parents throughout the service. If you or your children are not used to this, please know that we understand and recognize that it might take time to develop the routine. We're here to help, so don't hesitate to ask a priest or Tina Smith about successful family worship.

- **New Format:** Our format is changing to accommodate the new summer service times and the needs of our families. Kids Church (K3 –2nd grade) starts the same time as "big church" so bring your child to the Worship Center prior to the service start time. There you will find computers to sign in your children. There will be one computer for families attending services in Doar Hall and another for families attending services in the Church building. Please use the appropriate computers. They will print color coordinating name labels so that our little ones are taken to the correct service.

- Once they enter the Worship Center they will find lots of friendly faces welcoming them along with activity centers that will start their lesson time. They will continue with these until the sermons have ended:

- ✚ If you are attending the Church building service, please pick your child up at the end of the sermon.

- ✚ If you are attending the Doar Hall service, please look for your child entering the sanctuary and wave to them so they can find you.

**Communion**—Anyone baptized in the Christian faith is welcome to receive communion at St. Paul's. **Please note:** The Communion elements consist of real wine and bread or wafers containing wheat. Please ask the bread server for gluten free wafers. Receiving one or the other of the elements is considered participating as fully in the Eucharist as anyone who receives both.

All guests are invited to visit our **Welcome Table** after the service today to receive a gift and information about St. Paul's.

**Giving**—Cash and checks may be placed in the offering plates. We have electronic giving centers in Doar Hall for debit and credit cards. St. Paul's does not want anyone to incur debt in order to give to the Lord. We offer the electronic giving centers as a convenience.

**Giving Envelopes**—are available for your convenience. You may pick up a pack in the church office, in the back of Doar Hall, or the Church Building.
