

A History Of St. Paul's Church

St. Paul's Summerville began in the 1800's as a church which drew from surrounding parishes of St. Paul's Stono. In 1829, the Reverend Philip Gadsden held regular summer services, and in 1839 the first building was built near the current site. In 1855 the congregation was incorporated as St. Paul's Summerville, and in 1857 the present building was consecrated. Over the years the building has been enlarged and renovated.

Today, St. Paul's embraces a vision being **rooted** in the past, yet relevant today: St. Paul's **Sows** the Good News of Jesus for all People, **Cultivates** servant leaders, and **Grows** neighborly communities. The vision is a call to be disciples of the Gospel.

The Tea Room Gift Shop

The Gift Shop is a key component of this annual event. Since our inception in 2005, the men and women of the Gift Shop Ministry have created beautiful gifts and handsome wooden items throughout the year.

Please take a few minutes to browse in our Gift Shop (adjacent to the Tea Room in Doar Hall). We have wonderful items to give as gifts or to keep as something special for yourself!
